

SAMPLE OF HOMESCHOOL PROGRAMS

Disclaimer: The district does not dictate the curriculum or programs parents are to follow. Families can select any homeschool program that works for the student or they can submit their own homeschool plan.

Here are samples of homeschool programs we have seen parents/guardians use:

- Abeka
- Time for Learning
- Discovery K-12
- Kolbe Academy
- Acellus Academy
- Oak Meadow K-12 Homeschool Program
- Powerhomeschool
- Study.com
- Etc.

Other Massachusetts virtual private schools, which you could use as part of your Homeschool plan:

- Keystone School (K-12)
- K12 International (K-12)
- Study.com (7-12)
- Penn Foster (9-12)
- View High School (9-12)
- *TECCA (Online MA Public School)
- *Greenfield Academy (Online MA Public School)

*Please note that TEC Connections Academy and Greenfield Commonwealth Virtual, are not considered homeschool as they are state-wide virtual public schools. You are not required to submit a homeschool application if you are enrolling your students to these programs. When enrolling students to this programs, please share the acceptance confirmation so that we can update our records.

If you decide to develop your own curriculum, please include the **titles or names of resources/textbooks** you will be using to guide the instruction.

The link below is to view the Massachusetts standards, you can use the navigator to search by each subject (It is not a requirement to follow these standards; some parents use it to plan for their instruction).
